| Approved by: Tom D. Brady, Occupational Health Program Manager |
| Applicable to: All Alyeska employees and loanees. |

1.0 Purpose

To establish guidelines for partial reimbursement of costs associated with approved health maintenance programs.

2.0 Accountable Resources

Occupational Health Unit (OHU) Program Manager: Alyeska's OHU/WC Manager or Designee is accountable for approving all health maintenance programs, facilities, and activities, processing employee forms, submitting to payroll for employee reimbursement and for budgeting annually, as appropriate. The Manager is also accountable for the administration and interpretation of this procedure.

Payroll: Alyeska's payroll group is accountable for processing employee reimbursements.

Employees: Alyeska employees are accountable for adhering to this procedure and submitting the appropriate forms and receipts for reimbursement.

3.0 Procedure

A. GENERAL

Alyeska encourages employees to establish and maintain participation in activities that increase their health, fitness, and well-being. Alyeska's Health Maintenance program is designed to support employees and loanees who participate in wellness facilities, programs, and/or activities.

B. ELIGIBILITY

To be eligible for health maintenance reimbursement the following criteria must be met:

1. Participants must be full-time employees or loanees. Interns and Part-Time employees are eligible at a reduced rate. Expenses for dependents are not eligible for reimbursement.
2. The facilities, programs, and/or activities must provide specific, health maintenance benefits (i.e., cardiovascular, respiratory, weight control, smoking cessation, etc.).
3. Where health maintenance programs require that participants obtain a physician's certificate of fitness, the responsibility and cost(s) for obtaining for such certification rests with the employee.
