

Thank you for your interest in doing business with Alyeska Pipeline Service Company!

Please fill out this application per the instructions below. **Note that completing and submitting this application is not a guarantee of work nor a guarantee of an invitation to bid.** This process is intended to provide Alyeska a list of potential bidders. The Contracts & Procurement Department will contact companies on an “as needed basis” for additional information as need arises for any upcoming potential work.

1. Go to <https://www.alyeska-pipe.com/wmbe-program/>
2. Fill out the ***Potential Bidder Application***
3. If company is minority-owned, attach proof of ownership to the application, e.g., SBA certification, etc.
4. Submit to WMBEProgramManager@alyeska-pipeline.com

Alyeska was established in 1970 to design, construct, operate, and maintain the Trans-Alaska Pipeline System (TAPS). Headquartered in Anchorage, the company maintains operations in Fairbanks, Valdez and remote locations along the pipeline.

Alyeska has a Women and Minority Business Enterprise (WMBE) Program which is enforced to ensure compliance with applicable requirements of *CFR Title 43 – Public Lands: Interior, Part 27 – Nondiscrimination in Activities Conducted Under Permits, Right-of-Way, Public Land Orders, and Other Federal Authorization Granted or Issued Under Title II of Public Law 93-153, et seq.* by increasing opportunities for qualified women and minority-owned companies to market their products or services to Alyeska and Alyeska Contractors. Alyeska prohibits discrimination against any person or business pursuing these opportunities on the grounds of race, creed, color, national origin, or sex. Alyeska manages its contracting and purchasing programs to prevent and resolve any claims of discrimination and is committed to expanding the WMBE participation in its direct contracts and subcontracts when possible.
